Dear Parent/Guardian:

In order to maintain a safe and orderly building during the school day, we are requesting that all students, who are enrolled in a late arrival and/or early dismissal schedule, remain in the Main Lobby until class dismissal. When the bell rings all students will be allowed to visit lockers and proceed to class or afternoon activities.

If you are a student who follows an abbreviated schedule, you are required to leave the building immediately following your last scheduled class. When returning to the building for afternoon activities you will be required to remain in the Main Lobby, as well, until the final dismissal bell.

Seniors who chose to exercise the senior-open campus privilege must report to a cafeteria upon their return to school. Cafeterias East and West will be available for students who return prior to the end of the period. No students will be allowed to lockers or classrooms while teaching is in progress.

Thank you for your assistance in this matter. This policy will allow faculty and staff to utilize all instructional and supervisory time efficiently without interruption.

Sincerely,

Linda Dolecek
Assistant Principal
