APPROVAL OF COURSE WORK

APPROVED IN-SERVICE COURSES:

- 15 hours = 1 in-service credit
- All approved graduate courses may be taken for in-service credit

Pre-Approved Providers:

1. The Levittown Teacher's Center

- Teacher Center Courses require teachers and teacher assistants to register directly with them via the district catalog. If a teacher or TA mistakenly submits an approval form for a course provided by the Levittown Teacher's Center, you must deny it and write the following in the "comment" section.

“For Teacher Center courses, you must register directly with them via the District Catalog, and they in turn will process your registration and approval on My Learning Plan.”

2. LILIE (Long Island Learning Institute for Educators)

- LILIE is a pre-approved provider of on-line in-service courses. The PD committee approved of them in December of 2007.

NOTE*

Only New York accredited universities, The Levittown Teacher's Center, and LILIE have been pre-approved as online course providers for in-service credit.

- Their courses have met BOCES standards for online courses.
- Any other on-line course not offered by the institutions mentioned must be rated and approved according to BOCES standards for on-line courses.
- Any other in-service provider must get prior approval from the Assistant Superintendent for Instruction and/or the Professional Development Team

The following are useful web sites and tips to help in the process of course approval:

- Identify an accredited university-
<http://www.ope.ed.gov/accreditation/Search.asp>
- Google the university to find out more about it
- Request a course syllabus
- Use BOCES standards for online course approval if the provider of the course is not already a pre-approved one
